

## Home Art Program for kids

Art Assist Take Home Art Activity Bags: We have put together art projects that can be done at home since we are unable to get together for classes at this time. Each bag will have the materials and instructions for a fun art activity. Every two weeks there will be a new bag with a new project and materials ready to be picked up.

After the first pick up, just drop off the bag at the next pick up day and leave one of the art works created and signed by the student in the bag. A new bag can be picked up then (there will be enough material to create at least two works each time).

At the end of the summer we will have a show in which we will display all the works that have been submitted. The first pick up date is June 13th at The Gallery from 11- 3pm. So sign up your child by calling Diane at (760) 277-4256. Pick up dates are June 13th and 27th, July 11th and 25th and August 8th and 22nd. The final drop off day is September 5th.

If members have grand kids or know neighbors with kids who might like to participate, they need to call Diane Jansen by the 12th of June with the name of the child. 760-277-4256
