

## FAA Gallery Sponsorship

The FAA has engaged in an exciting new venture by securing a gallery space at 127 N. Main Avenue in Fallbrook. The intent of this initiative is to contribute more substantially to the concept of Fallbrook as an "Art Destination" by adding another Arts related attraction to the Fallbrook Village.

This initiation of this venture was made possible through a substantial donation by a long-time FAA Member. However, continuing fundraising and donations will be required to insure this venture will thrive over the long term. We ask you to consider becoming a Gallery Sponsor, particularly if you are an FAA member that would be interested in participating in the 10 monthly Open Shows.

If you are an FAA member, as a Gallery Sponsor your donation of \$200 will allow you to participate in 10 FAA gallery shows per year, with up to 3 entries per show, at no additional cost, with the exception of a \$5 fee applied to all "large" entries, as defined in our Gallery Rules and Entry Forms. For artists who plan on participating in these shows, the savings, by becoming a Gallery Sponsor, could be as high as \$100 per year. **Please note** that the Spring and Fall Open Shows currently held at the Brandon Gallery are not included in this benefit.

We welcome you to become a Gallery Sponsor even if you are unsure you will be participating in the monthly shows. Your donation contributes to the viability of the Fallbrook art community which is so important to the greater Fallbrook Community.
