

The reception for our current show will be a little later than normal, due to the Christmas Holiday. Please join us on **Saturday, December 29, from 3:00 – 5:00 pm**. It would be greatly appreciated if you could bring a small, light appetizer. The same people have been supplying refreshments at our gallery receptions.

At the change-out Monday, we had a few early birds, and several late entries after 2:00 pm. **Please pay attention to change-out hours** in the future, especially the closing time. The volunteers work more than 4 hours straight, and it is very tiring! We'd all like to close up at 2:00 and get things cleaned up for judging. Also, the wall cards must be created between take-in close and the next morning for hanging, so if you can get to the gallery in time to be checked out by 2:00 pm, it would be greatly appreciated.

Now for this month's ribbon winners, CONGRATULATIONS!

Thank you, Judge Carol Zaleski!
